Vladimir M. Cvetkovic is the Assoc. Prof. (Disaster Risk Management) at the University of Belgrade, Faculty of Security, and has been engaged in research in the field of disaster risk management studies for 15 years. He has published over 250 research papers and 20 scientific monographs. He is the founder of the Scientific Professional Society for Disaster Risk Management in Serbia (<http://upravljanje-rizicima.com/>), the International Institute for Disaster Research (<http://upravljanje-rizicima.com/medjunarodni-institut-za-istrasivanje-katastrofa/>), and Editor-in-Chief of the International Journal of Disaster Risk Management (<http://internationaljournalofdisasterriskmanagement.com/index.php/Vol1>).

## **Basic biographical data and schooling**

He was born on February 8, 1987. years in Kragujevac. He received his Ph.D. from the Faculty of Security, University of Belgrade, on the topic "Citizens' preparedness to respond to the natural disaster caused by the flood in the

Republic of Serbia" (2016), which earned him the academic title of Doctor of Science - Security Science.

At the University of Criminal Investigation and Police Studies in Belgrade, he defended his master's thesis on "Management in emergency situations caused by the misuse of weapons of mass destruction" in 2012, which earned him the title of master criminalist and graduated in 2010 as a student of the generation with an average grade of 10.00 student in history with the mentioned achieved average), which earned him the title of graduate criminologist.

He graduated from the high school of internal affairs (police officer) in Sremska Kamenica in 2006 as one of the students of the generation and the holder of Vuk's diploma, and the elementary school "Sveti Sava" in Batocina in 2002 as the holder of Vuk's diploma.

### **Awards and acknowledgments**

- The "Danubius Award" for 2017 by the Austrian Federal Ministry for Science, Research and Economy (BMWFW) and the Institute for the Danube Region and Central Europe (IDM) for extraordinary achievements in scientific activity and output with the Danube Region.
- Award for the best student of the first generation of the Academy of Criminalistic and Police Studies in Zemun, for an average of 10.00, 2<sup>nd</sup> October 2010, silver badge of the Academy awarded;
- Awards for the best student of the third year of the Academy of Criminalistic and Police Studies in Zemun, 2<sup>nd</sup> October 2009;
- Award for the best student of the second year of the Academy of Criminalistic and Police Studies in Zemun, 2<sup>nd</sup> October 2008;
- Award for the best student of the first year of the Academy of Criminalistic and Police Stud in Zemun, 2<sup>nd</sup> October 2007;
- Elected at the Municipal Assembly of Lapovo in 2009 as the best student in the history of the municipality;
- Awarded as one of the best cadets with a grade average of 5.00 in the Police High School, Sremska Kamenica;
- Recipient of a scholarship from the OSCE for the third year of doctoral studies at the University of Belgrade, Faculty of Security Studies, 2015/2016;
- Recipient of a talent scholarship of the Ministry of Education of the Republic of Serbia - Grant by the Fund for Young Talents of the Republic of Serbia for the undergraduate students of final year (2009/10);
- Winner of "Eurobank EFG scholarship for the best students of Serbia" within the project "Let's invest in European values", due to outstanding achievements in the field of criminal and police-security studies, 2009.

- In the Sector for Emergency Situations, during 2011, he realized professional practice;
- The basic course for firefighter-rescuer in 2012, lasting 4 months, was completed with an average of 5.00 (five) in the Emergency Situations Administration of the City of Belgrade, which earned him the diploma of firefighter-rescuer;
- Passed the professional exam for performing fire protection activities with a university degree (2012);
- Completed a basic specialist course for inspectors in the field of civil protection and risk management, in 2014;
- Passed professional exam for disaster risk assessment and development of protection and rescue plans in emergency situations, 2018;
- Passed professional exam for risk assessment in the protection of persons, property, and business, 2018;
- Completed the course and issued a certificate of passing the professional exam for firefighter-rescuer issued by the Ministry of Interior, the Republic of Serbia in 2012;
- Diploma for a master's degree in martial arts JuJutrsu, (black belt - first day) 2005;
- Diploma for amateur radio E class, Sremska Kamenica, 2004;
- In primary school for exceptional results in competitions, he was awarded 6 special diplomas, for physics, history, Serbian and German language, biology, and technical education.

### **Scientific papers and projects**

Assoc. Prof. Vladimir M. Cvetković, Ph.D. published more than 250 scientific papers in national and international journals and anthologies, of which 18 scientific monographs and doctoral dissertation. His fields of research interests are a disaster, hazards, emergencies, disaster risk management, civil defense, and security. He speaks English and German.

He participated in the following national and international scientific research projects:

- International scientific research project “Horizon 2020 project DAREnet - Danube river region Resilience Exchange network targeting the Call topic: SEC-21–GM-2016/2017: Pan European Networks of practitioners and other actors in the field of security“ involving the University of Belgrade, Faculty of Security Studies and other 14 partners from home and abroad. The mission of the project is to create preconditions for objective scientific and practical support to all relevant entities and organizations in charge of natural disaster management (mitigation, preparation, response, and recovery) caused by flooding of the Danube River.
- A scientific research project funded by the Ministry of Education, Science and Technological Development of Republic of Serbia:

Development of institutional capacities, standards and procedures for combating organized crime and terrorism in the conditions of international integration (no. 179045), implemented by the Academy of Criminalistic and Police Studies in Belgrade, 2011-2016;

- Scientific research project implemented by the Academy of Criminalistic and Police Studies in Belgrade entitled: Management of police organization in preventing and combating security threats in the Republic of Serbia from 2015 to 2018;
- Manager of the seminar: "Security of students in school buildings" scheduled by the Program catalog of continuous professional development of teachers, educators and professional associates for the academic years 2014/2015, 2015/2016 and 2016/2017;
- Scientific research project implemented by the Academy of Criminalistic and Police Studies in Belgrade entitled "National security of the Republic of Serbia and security integration", 2014-2015.

According to the official data of the scientific network "Research gate" in 2021, he achieved RG scores – 24.52 h-index 15, total research interest - 910.2, 726 citations, 380 recommendations, and 70,000 readings.

According to official data, "Google scholar citations" achieved 1186 (citations), h-index 15 and i10-index 33.

### **Reviewing scientific journals and grants**

- Founder and Editor-in-Chief of International Journal of Disaster Risk Management, publisher: Scientific-Professional Society for Disaster Risk Management;
- He has reviewed over 50 scientific papers in national journals and publications and in international journals/proceedings SCI/SSCI list:
  - International Journal of Environmental Research and Public Health (8 papers)
  - International Journal of Disaster Risk Reduction (5 papers)
  - International Journal of Architectural Heritage;
  - International Journal – Heliyon;
  - International Journal – Geomatics, Natural Hazards and Risk (3 papers);
  - International Journal – Health Science Journal;
  - Journal of Infection and Public Health;
  - Preventive Medicine Reports;
  - Risk Analysis;
  - SAGE Open Medicine;
  - Behavioral Sciences;
  - Biomedical and Environmental Sciences;

- Sustainability;
- World Medical & Health Policy.

## **Employment and pedagogical experience**

He is employed at the Faculty of Security, University of Belgrade as an associate professor at the Department of Disaster Risk Management and Environmental Security. He is the director of the International Institute for Disaster Research in Belgrade. The president is also the founder of the Scientific-Professional Society for Disaster Risk Management in Belgrade. He is engaged in the following subjects:

- Disaster risk management;
- Protection against natural and anthropogenic disasters;
- Security risks and disasters (Protection and Rescue System);
- Methodology of risk assessment and development of plans for protection and rescue from natural and other disasters;
- Management of protection and rescue activities;
- System of prevention and reduction of risk from natural and other disasters

In the period from 2013 to 2017, he was employed at the University of Criminal Investigation and Police Studies as an associate as an assistant for the following subjects: "Emergency Security", "Emergency Risk Management", "Fire Prevention and Suppression, Explosions and accidents ", "Information systems in emergency situations". Also, at the mentioned higher education institution and subjects, in the period from 2011 to 2013, he was employed as an associate in the title of teaching associate. During 2006, he was employed in the Ministry of Internal Affairs of the Republic of Serbia as a police officer.

Mentor of master's theses (more than 25): Evacuation from residential buildings in emergency situations caused by fires; Examining the impact of demographic and socio - economic factors on the level of preparedness of citizens to respond to emergencies caused by forest fires in Prijepolje; Public perception of terrorist threats using chemical weapons: implications for the emergency risk management process; Demographic and socio-economic perspective of flood risk perception of natural disasters: a case study Belgrade; Gender dimension of citizens' vulnerability to natural disasters caused by floods in 2014: case study Svilajnac; Comparative analysis of disaster risk management policy in Southeast Europe; Increasing the risk of disasters caused by the impact of climate change on natural hazards; The role of social networks in disaster risk reduction; Improving the readiness of security officers to act in emergencies caused by fire; Increasing the risk of disasters caused by climate change hazards; Integrated risk management in

a fire emergency: case study of electricity distribution Belgrade; Myths about human behavior in disaster conditions; Socio-economic predictors of risk perception and preparedness for disasters caused by fires in residential buildings: a case study Belgrade; Innovative solutions for improving disaster risk communication - factors influencing efficiency and applicability in practice.

He was a member of the commission for the defense of the following doctoral dissertations: The impact of international cooperation on the system of reducing the risk of elementary and other disasters in the Republic of Serbia; Resilience of urban communities to fire hazards

### **Professional engagements and certificates**

- Director of the International Institute for Disaster Research in Belgrade, Dimitrija Tucovića 121
- Editor-in-Chief of the International Journal of Disaster Risk Management (IJDRM);
- President of the Scientific-Professional Society for Disaster Risk Management as an organization of special importance for the protection and rescue system of the Republic of Serbia, 2018 (<http://upravljanje-rizicima.com/>);
- Manager and implementer of basic security training in the field of risk management and protection and rescue measures in emergencies, Stara Planina, 2019.

#### *Participated in various world conferences:*

- 5th Global Summit of GADRI Engaging Sciences with Action, Organised by the Global Alliance of Disaster Research Institutes together with the support of the Regional Alliances, 2021;
- 12 International Scientific Conference “30 years of independent Macedonian state”
- XI International Scientific Conference, Archibald Reiss Days 2021;
- 7th Annual Forum of the EU Strategy for the Danube Region (EUSDR) taken place on 18-19 October 2018 in Sofia, Bulgaria.
- The VIII International Scientific Conference Archibald Reiss Days, University of Criminal Investigation and Police Studies, Zemun, Belgrade, 2-3 October 2018.
- Annual Meeting of the International Nuclear Security Education Network, International Atomic Energy Agency in UN Vienna International Centre, from 9 July 2018 to 13 July 2018;
- 12th International Conference on Environmental Legislation, Safety Engineering and Disaster Management, on 17-19 May 2018, in Cluj-Napoca, Romania;

- Danube Rectors' Conference 2017, Responsibilities of Danube Universities as promoters of EUSDR, November 9-10, 2017, University of Zagreb, Croatia.
- Training on project design, proposal development and project management for EU Horizon 2020 Programme, European training Academy in cooperation with UNDP in Belgrade, from 4 to 12 October, 2017.
- Regional Workshop on Human Resources Development in Podgorica, Montenegro from 30 October to 3 November 2017, organized by International Atomic Energy Agency and Ministry of Sustainable Development and Tourism of Montenegro;
- European Geosciences Union GmbH – EGU General Assembly 2017, At Vienna, Austria, Volume: Vol. 19, EGU2017-6720: Session HS1.9/NH1.18 Hydrological risk under a gender and age perspective, Vienna.
- Serbian Academy of Sciences and Arts and Geographical Institute Jovan Cvijic, SASA, International Conference Natural Hazards – Links between Science and Practice, 8-11 October 2013;
- The third romanian-bulgarian-hungarian-serbian conference: University of Belgrade, Faculty of Geography University of Novi Sad, Faculty of Sciences, Department of Geography, Tourism and Hotel Management: Geographical Research and Cross-Border Cooperation within the Lower Basin of the Danube;
- International scientific conference: The Balkans between Past and Future: Security, Conflict Resolution and Euro-Atlantic Integration, 05-08 June 2013, Ohrid
- International conference: Macedonia and the Balkans, a hundred years after the world war I – security and euroatlantic integrations, 03-05 June 2014. Skopje: University St. Kliment Ohridski – Bitola, Faculty of Security;
- The international conference is organized by the Faculty of Security – Skopje – University St. Kliment Ohridski – Bitola in collaboration with Faculty of detectives and security – FON University – Skopje. International scientific conference – criminalistic education, situation and perspectives – 20 years after Vodinelic;
- International scientific conference – Researching security – approaches, concepts and policies. University “St. Kliment Ohridski”-Bitola Faculty of Security – Skopje, 2015;
- International scientific conference “Archibald Reiss days” Thematic conference proceedings of international significance., Belgrade, The Academy of Criminalistic and Police Studies, 2015;
- International Scientific Conference, Regional Perspective, October 24th, 2013, Belgrade (Organization University of Belgrade – Faculty of Security Studies);
- Second International Conference on Human Security: Twenty Years of Human Security Y20HS, November 7th and 8th, 2014;

- 7th International Scientific Contemporary Trends in Social Control of Crime, Macedonia, 2016;
- International scientific conference – Researching security – approaches, concepts and policies, 02-03. 06. 2015. University “St. Kliment Ohridski”- Bitola Faculty of Security – Skopje
- The 7th International Scientific Conference “Crisis Management Days”, 22-23 May, 2014, Croatia, Velika Gorica;
- International Scientific Conference “Environment and Economy Adaptation to Climate Change”, 22 – 24 April 2015, Belgrade. Scientific and professional society for environmental protection of Serbia
- The 3rd International Scientific Conference “Security engineering, fire, environment, work environment, integrated risk and the 13th International Conference on protection against fire and explosion, Novi Sad, 18-19 October 2012, the Higher Technical School of Professional Studies;
- The 9th International Scientific Conference “Crisis Management Days “, University of Velika Gorica, Croatia, 2016;
- International Scientific Conference: Environmental Crisis: Technogenesis and Climate Change, Belgrade. Scientific-professional Association for Environmental Protection, 2016.
- Harmonization of the foreign policy of the Republic of Serbia with a common foreign and security policy of the European Union”, Institute for International Politics and Economics. – Belgrade, 10-11 October 2011;
- Jaroslav Černi Institute for the Development of Water Resources, International Conference Climate change Impacts on Water Resources, 17-18 October 2013, Belgrade, Serbia;
- The 4th International Scientific Conference Security engineering, fire, environment, work environment, integrated risks” and the 14th International Conference on protection against fire and explosion, 02-03 October 2014, Novi Sad: High Technical School of Professional Studies in Novi Sad, Technical University in Zvolen and the Faculty of Engineering, Department of Civil Engineering and Geodesy;
- Scientific Conference with International Participation: Law and Forensics in criminalistics, Kragujevac, 15 – 17 September, Belgrade, Academy of Criminalistic and Police Studies, 2010;
- Scientific Conference: Security of urban areas. Sarajevo, Academy of Criminalistic and Police Studies, 2014;
- The 8th International Conference “Days of security” on the topic: The subjects of the security system in the realization of the security functions of the state, Faculty of Security and Protection, Banja Luka 12 June 2015;
- National Conference with International Participation, Protection at work in the 21st century – Theory and Practice, Tara, 04 – 08 October 2011;

- Countering contemporary forms of crime – analysis of the situation, European standards and measures for improvement (26-29 May 2015), Academy of Criminalistic and Police Studies and the “Hanns Seidel” Foundation in cooperation with the Ministry of Interior of the Republic of Serbia;
- The 7th Scientific Conference with International Participation “European Integration: justice, freedom and security” Academy of Criminalistic and Police Studies and the “Hanns Seidel” Foundation in cooperation with the Ministry of Interior of the Republic of Serbia, 24-26 May 2016, Hotel Omorika.
- The 7th International Scientific Conference Archibald Reiss Days, 7-9 November, 2017, Academy of Criminalistic and Police Studies.
- First Conference with International participation – Environmental Safety and Health at Work Zrenjanin.
- The 9th International Scientific Conference “Crisis Management Days“, University of Velika Gorica, Croatia, 2016;
- The 10th International Scientific Conference “Crisis Management Days“, University of Velika Gorica, Croatia, 2017;
- Scientific conference with international participation: European Integration: Justice, Freedom and Security, 2016, Tara.
- International Scientific Conference “New Directions And Challenges In Transforming Societies Through A Multidisciplinary Approach” 6th June, 2017, MIT University, City Gallery, Skopje, Republic of Macedonia.
- International Scientific And Professional Conference “40 years of higher education in the field of security – Theory and Practice” SKOPJE, Republic of Macedonia, 05 December, 2016
- Fifth counseling – Risk Management, May 26, 2017, amphitheater VTŠSS Pozarevac.

#### *Other professional*

- Implementer of the seminar "Safety of students in school facilities", catalog number 9 from the Catalog of professional development programs for teachers, educators and professional associates ZUOV for the school year 2014/2015. and 2015/2016. year and for the school year 2016/2017. year.
- He participated in the implementation of special forms of teaching (training) during employment at the Police Academy, such as basic police training with first-year students (handling and manipulation of firearms by police officers); basic police and security training for emergency situations with second-year students of basic academic and vocational studies; summer field training in the Teaching Center "Mitrovo Polje" of the Ministry of Internal Affairs of the Republic of Serbia in Goč with students of the third year of academic and second year of vocational studies;

- Secretary of the Department of Security Sciences, Criminal Police Academy, from 2011 to 2015.
- From 2014, he headed the section for emergency situations at the Police Academy, and from 2016, the section for police self-defense (Jujitsu).
- He was engaged in the school police station and as a member of the commission for self-evaluation in the Criminal Police Academy.

*It has the following certificates and licenses*

- certificate, DCAF Border Security Programme certifies that has successfully participated in the seventh „Future Leaders Training“ which took place in Andermatt, Switzerland, Geneva Centre for The Democratic Control of Armed Forces (DCAF), 2011. година;
- certificate of Participation, „Weapons of Mass Destruction Crime Scene Operations Course“, United States of America, Department of Defense International Counterproliferation Program, 2011. година;
- certificate, Sixth Regional Course in „International Humanitarian Law“, BU Faculty of Political Sciences, 2009.
- certificate of appreciation in recognition of the valuable contribution as a Participant of the NATO SPS Leadership Roundtable on Information-Related Hybrid Threats in South – East Europe, 6-12 October 2019, Republic of North Macedonia.
- certificate that has successfully completed training on project design, proposal development and project management for EU Horizon 2020 programme, EUTA and UNDP;
- certificate that has successfully completed IAEA Regional Workshop on Human Resource Development, 30 October – 3 November 2017, organized by International Atomic Energy Agency (IAEA) and Ministry of Sustainable Development and Tourism of Montenegro;
- certificate of completion on-line e-learning course on: Overview of Nuclear Security Threats and Risks; Nuclear Security Threats and Risks (4 modules); Introduction to and Overview of IAEA Nuclear Security Series Publications; Nuclear Security Disciplines course on Physical Protection of Nuclear Material and Nuclear Facilities;
- certificate, DCAF Border Security Programme certifies that has successfully participated in the seventh „Future Leaders Training“ which took place in Andermatt, Switzerland, Geneva Centre for The Democratic Control of Armed Forces (DCAF), 2011. година;

- certificate of Participation, „Weapons of Mass Destruction Crime Scene Operations Course“, United States of America, Department of Defense International Counterproliferation Program, 2011. Година;
- certificate, Sixth Regional Course in „International Humanitarian Law“, BU Faculty of Political Sciences, 2009.
- certificate of appreciation in recognition of the valuable contribution as a Participant of the NATO SPS Leadership Roundtable on Information-Related Hybrid Threats in South – East Europe, 6-12 October 2019, Republic of North Macedonia.
- certificate that has successfully completed training on project design, proposal development and project management for EU Horizon 2020 programme, EUTA and UNDP;
- certificate that has successfully completed IAEA Regional Workshop on Human Resource Development, 30 October – 3 November 2017, organized by International Atomic Energy Agency (IAEA) and Ministry of Sustainable Development and Tourism of Montenegro;
- certificate of completion on-line e-learning course on: Overview of Nuclear Security Threats and Risks; Nuclear Security Threats and Risks (4 modules); Introduction to and Overview of IAEA Nuclear Security Series Publications; Nuclear Security Disciplines course on Physical Protection of Nuclear Material and Nuclear Facilities.

## **Supervisor for master or Phd dissertation**

### **Master supervisor**

1. Citizens' preparedness for responding to disasters caused by forest fires: Case study Prijepolje, 2018;
2. Public perception of the terrorist threats of using chemical weapons: implications on the disaster risk management, 2018;
3. Evacuation from residential objects in disasters caused by fires, 2018;
4. Demographic and socio-economic perspective of disaster risk perception case study Belgrade;
5. Gender dimension of citizens' vulnerability to natural disasters caused by the 2014 floods: the Svilajnac case study. University of Belgrade, Faculty of Security Studies;
6. Comparative analysis of disaster risk management policy in South East Europe. University of Belgrade, Faculty of Security Studies;
7. Increasing the risk of disasters caused by the impact of climate change on natural hazards. University of Belgrade, Faculty of Security Studies.

## **Participation in national and international conferences and courses**

Assistant professor Vladimir M. Cvetković, PhD participated in more than 50 national and international scientific conferences:

- 7<sup>th</sup> Annual Forum of the EU Strategy for the Danube Region (EUSDR) taken place on 18-19 October 2018 in Sofia, Bulgaria.
- The VIII International Scientific Conference Archibald Reiss Days, University of Criminal Investigation and Police Studies, Zemun, Belgrade, 2-3 October 2018.
- Annual Meeting of the International Nuclear Security Education Network, International Atomic Energy Agency in UN Vienna International Centre, from 9 July 2018 to 13 July 2018;
- 12<sup>th</sup> International Conference on Environmental Legislation, Safety Engineering and Disaster Management, on 17-19 May 2018, in Cluj-Napoca, Romania;
- Danube Rectors' Conference 2017, Responsibilities of Danube Universities as promoters of EUSDR, November 9-10, 2017, University of Zagreb, Croatia.
- Training on project design, proposal development and project management for EU Horizon 2020 Programme, European training Academy in cooperation with UNDP in Belgrade, from 4 to 12 October, 2017.
- Regional Workshop on Human Resources Development in Podgorica, Montenegro from 30 October to 3 November 2017, organized by International Atomic Energy Agency and Ministry of Sustainable Development and Tourism of Montenegro;
- European Geosciences Union GmbH - EGU General Assembly 2017, At Vienna, Austria, Volume: Vol. 19, EGU2017-6720: Session HS1.9/NH1.18 Hydrological risk under a gender and age perspective, Vienna.
- Serbian Academy of Sciences and Arts and Geographical Institute Jovan Cvijic, SASA, International Conference Natural Hazards – Links between Science and Practice, 8-11 October 2013;
- The third Romanian-Bulgarian-Hungarian-Serbian conference: University of Belgrade, Faculty of Geography University of Novi Sad, Faculty of Sciences, Department of Geography, Tourism and Hotel Management: Geographical Research and Cross-Border Cooperation within the Lower Basin of the Danube;
- International scientific conference: The Balkans between Past and Future: Security, Conflict Resolution and Euro-Atlantic Integration, 05-08 June 2013, Ohrid;
- International conference: Macedonia and the Balkans, a hundred years after the World War I - security and Euro-Atlantic

integrations, 03-05 June 2014. Skopje: University St. Kliment Ohridski - Bitola, Faculty of Security;

- The international conference is organized by the Faculty of Security - Skopje - University St. Kliment Ohridski - Bitola in collaboration with Faculty of detectives and security - FON University - Skopje. International scientific conference - criminalistic education, situation and perspectives - 20 years after Vodinelic;
- International scientific conference - Researching security - approaches, concepts and policies. University "St. Kliment Ohridski" - Bitola Faculty of Security – Skopje, 2015;
- International scientific conference "Archibald Reiss days" Thematic conference proceedings of international significance., Belgrade, The Academy of Criminalistic and Police Studies, 2015;
- International Scientific Conference, Regional Perspective, October 24th, 2013, Belgrade (Organization University of Belgrade – Faculty of Security Studies);
